Boston, MA 02203

ATTN: Regional Administrator

Dear Regional Administrator:

This letter serves as demonstration and certification required in 40 CFR 268.8(a)1.

K.J. Quinn & Company, Incorporated, 137 Folly Mill Road, Seabrook, NH generates the following soft-hammer wastes and ships them to ThermalKEM, Incorporated located in Rock Hill, SC for incineration. The "soft hammer wastes" generated are:

U223 Toluene Diisocyanate *220780 H400*

In search for the acceptable treatment facility for these materials, the following facilities have been contacted with the assistance of our environmental service company:

BDT, Incorporated
4255 Research Parkway
Clarence, NY 14031
(716) 759-2868
Contact: Nancy Beebe

Trade Waste Incineration
7 Mobile Drive
Sauget, IL 62201
(618) 271-2804
Contact: Mark Motylewski

SCA Chemical Services, Inc.
11700 South Stony Island
Chicago, IL 60617
(312) 646-5700
Contact: Mark Motylewski

I certify under penalty of law that the requirements of 40 CFR 268.8(a)1 have been met and that I have contracted to treat my waste (or will otherwise provide treatment) by the practically available technology which yields the greatest environmental benefit, as indicated in my demonstration. I believe that the information submitted is true, accurate and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fine and imprisonment.

Very truly yours,

Bryant L. Winterholer
Director of Safety and Environmental Affairs
